Integrations

employee NAVIGATOR

Transform your agency with integrations that deliver scalability, profitability, and efficiency

Employee Navigator is integrated with **over 150** insurance carriers, TPAs, and payroll companies to allow any agency or employer to streamline their benefits, digitize onboarding, reign in ACA, and win more business.

No manual touches

- New group enrollment
- New hires
- Changes and updates
- Terminations

Give your customers an "easy button"

- Deliver the seamless experience client's demand
- Streamline self-enrollment and plan management
- Ditch the tiresome paperwork by going digital

Increase revenue opportunities

Simplify your offerings & support needs with standardized carrier selections

Improve premiums and participation with carrier integrations

Boost employer retention rates with seamless payroll integrations

Increase stickiness with comprehensive ecosystem-connectivity

Save time by eliminating busywork

Leverage scalability

The importance of integration increases as clients continue to move online

Automate the manual work

Spend less time on manual tasks, and spend more time on what really matters to your business

Reduce costs

One integration can save 15-20 hours per week
