FOR EMPLOYERS

HRIS Made Simple

Benefits and HR in one system, under one login.

WHY EMPLOYERS CHOOSE US

Every update you make flows through benefits, payroll, and onboarding automatically — so your employee data is always in sync.

Let's get started

Ask your broker about Employee Navigator

www.employeenavigator.com

Centralized Employee Data That's Always in Sync

1. **Benefits Administration**
   A guided enrollment with clear plan details, side-by-side comparisons, and built-in decision support
2. **ACA Reporting**
   Simple, powerful tools that keep you compliant year-round
3. **HR Management**
   One central HR database — no more dual entry

Modernized, Connected HR

PTO	An intuitive time-off dashboard for HR, managers, and employees.
ONBOARDING	Give new hires a great first day, not a stack of paperwork. Replace paper forms and spreadsheets with a digital experience.
ONE LOGIN	Manage benefits and HR tasks in one place, so you spend less time on busywork and more on your people.

STAY IN SYNC WITH INTEGRATIONS

Stop manually processing enrollments and changes. Employee Navigator connects directly with your insurance carriers, payroll providers, and TPAs.

Helpful software for real people.
